

Students interested in transferring to the American University of Armenia should submit this Transfer Application Supplement along with an Application for Admission. If admitted, transfer students will receive a Transfer Credit Evaluation (TCE), which indicates the courses accepted for transfer to the American University of Armenia. The academic department to which a student is accepted will complete a course-by-course evaluation of transfer credits. The registrar notes approved transfer credits on the student's academic transcript.

For detailed information on general approval guidelines, you are strongly encouraged to read the full Transfer Credit policy at <http://policies.aua.am/policy/126>.
