## About the TOEFL iBT Test

The TOEFL iBT is an internet-based test that measures your ability to use and understand English at the university level. It also evaluates how well you combine your listening, reading, speaking, and writing skills to perform academic tasks. The test is accepted by more than 11,000 universities and other institutions in over 150 countries, including Australia, Canada, New Zealand, the United States, the U.K., and across Europe and Asia.

*Due to COVID-19, ETS rolled out a Home Edition test available from the comfort of your home. AUA accepts both the TOEFL iBT and TOEFL Home Edition tests.*
